

Graduate Enrolled Nurse Program

An exciting new pathway to your nursing career

The Wesley Hospital's Graduate Enrolled Nurse Program is a 12 month, full-time program that will support your transition to working in an acute care setting. You will be part of a world renowned health care team, working in one of Queensland's most complex and high acuity hospital environments.

The Wesley Hospital prides itself on nurturing graduates and providing career opportunities in over 35 clinical specialties. The Wesley Hospital is part of the larger group of UnitingCare Health hospitals.

UnitingCare Health employs in excess of 4000 staff to operate its four Queensland based hospitals, providing graduates with greater career opportunities.
