New Booking				

How to book in online:

- The first time you use the booking system you will need to create your secure personal account using a secure password with a minimum of eight characters, two of which must be numerical.
- You will receive an email notification to validate your account in order to enter your secure site.
- Once you have logged in to your personal account you will have access to a detailed document explaining all the features of our hospital booking system.
- Click **“New Booking”** to start your admission.
- You can partially complete a form and return at a later date to finalise and submit to the hospital. Your partially completed booking will be saved and available for editing in the **“Incomplete tab”**.
- You will receive email notifications from the hospital advising you to log into your secure account for information updates relating to your admission.

We will contact patients, who have not booked online, 24 - 48 hours prior to their admission.

Pre-Admission Clinic

The Wesley Hospital Pre-Admission Clinic aims to ensure our patients arrive well prepared on the day of surgery.

This quality service is offered free at The Wesley Hospital and includes subsidised parking.

The clinic is open 8.30am to 5.30pm and is located on Level 2 of the main hospital, past the admissions counter and coffee shop near the lifts.

Patients can be referred directly to the clinic. For an appointment call 3232 7316. Drop-in visits are accommodated.

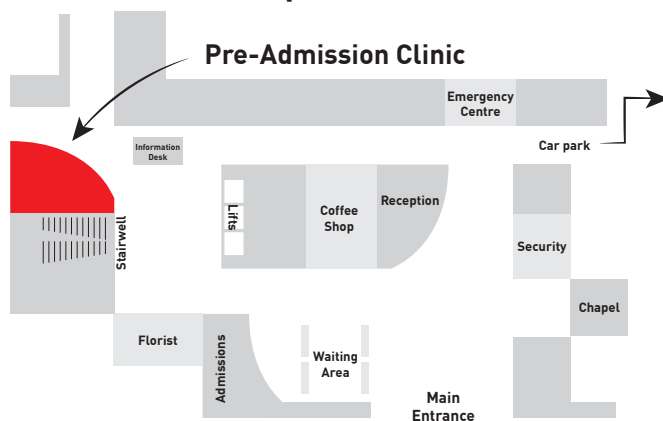

A visit to The Wesley Pre-Admission Clinic will include:

- + Completion of all relevant documentation for admission
- + Information and support regarding any aspect of your hospital stay
- + Pre-operative nursing assessment as requested by your surgeon
- + Co-ordination of all tests and investigations required by your surgeon prior to surgery – blood tests, ECGs, diagnostic imaging etc.
- + Access to the allied healthcare team – physiotherapist, breast care nurses, prostate care nurses, dieticians, pharmacist, diabetes support nurse, occupational therapist.
- + Start of discharge planning

Admission to The Wesley Hospital

Booking online is essential before admission. You can access the Hospital Admission Booking System at the hospital's website at wesley.com.au or bookmyadmission.com.au

Main Hospital: Level 2

UnitingCare Health Online Booking System

UnitingCare Health has a new online booking system which allows you to manage your hospital admission through a secure self-service webpage bookmyadmission.com.au

Benefits for you

Booking online means you can:

- + Quickly and easily submit your admission details using your computer or ipad
- + Update your information quickly as it is stored securely and is available anytime for editing
- + Upload relevant documents such as medication lists
- + Communicate directly with hospital staff through the system's message centre
- + Receive clinical fact sheets specific to your treatment before or after your admission
- + Link to relevant schemes like the government travel subsidy scheme for out-of-town patients.
