General Information

- Please ring us if you have any enquiries; if you wish to change your appointment; or if you are unable to attend.
- Please remember to bring your previous mammograms (if you have any). They are extremely important in the interpretation of your present films.
- Please do not wear cream or talcum powder on your breast area. You may wear non-aerosol deodorant. Please avoid wearing perfume.
- It is a good idea to wear separates.
- Your visit will probably involve some waiting so you may like to bring something to help occupy your time.
- If you experience tender, painful breasts before your period you may prefer not to come at that time.
